Currently our mobile data service is able to support speeds of up to 43 Mbps over our 3G network across the Maltese Islands and higher speed over our 4G network in selected areas. Refer to our [network coverage map](#) for further info.
 - 8.2 Due to contention ratios on the network and other factors outside our control, the download/upload speed may vary from time to time. Hence we cannot guarantee maximum transmission speeds of our Internet at all times. The factors that affect mobile data speeds are:
 - The technology supported on the network
 - The end user device
 - The radio signal quality, affected by interference from third party equipment and lack of coverage
 - Network load at the time of access to the service, affected by the amount of customers making use of the network (within a specific geographical location)
 - 8.3 The Vodafone General Terms and Conditions (Prepaid & Pay Monthly Services), the Vodafone Secure E-Billing Service Terms and Conditions, our 4G Services term, and the terms and conditions stipulated in your agreement and any of our other relevant terms and conditions shall also apply.

- 8.4 You are advised to visit our website vodafone.com.mt, call our Customer Care on 247, send us an email on 247.mt@vodafone.com or visit one of our retail outlets or authorised dealers, to learn more about these Tariff Plans.
- 8.5 Quality of Service: The benefits of these Data Plans are meant solely for individual use. If, in our reasonable opinion we deem your use as being excessive, we may ask you to moderate your usage, as this may have repercussions on the quality of the network and service levels enjoyed by our other consumers. If after we have informed you to moderate your usage, you fail to do so, we reserve the right to charge you for the excessive element of your usage at your price plan's standard rate or to suspend or terminate your service in accordance with your airtime contract. Furthermore, we reserve the right to suspend or terminate your service if you abuse of the service and/or use it in a way for which it is not intended.
- 8.6 We can suspend, modify or terminate these terms and conditions at any time and for any valid reason. You shall be given a 30 day notice during which you may opt-out of this Data Plan without incurring any penalties.
