You may choose to change your Vodafone number at any time, however you are hereby being advised that you shall incur a charge of €2, each time you opt to change it, which charge shall automatically be deducted from your credit. Also, the number set when topping up with €10 is not automatically considered as the number you would like to set when topping up with €20, and vice versa, therefore you have to set your number on both occasions.

**4.4.** Upon subscribing to any one of our TUG Plans you shall automatically be deemed as having accepted to adhere to these terms and conditions.

**4.5.** You shall be automatically migrated onto our [Plan](#) if you are not already on our base plan, upon subscribing in accordance with this Term 4.

## 5. Other terms & Conditions

Alternatively, you can opt to change your TUG Plan at any time in accordance with Term 4.1 above before you top up. If you change your TUG Plan prior to the expiration of the 30 day time-window, you shall automatically lose any remaining benefits.

5.1.2. If you initiate a 30 day time window with a €10 top-up, you would have to top-up for the same TUG Plan with another €10 before the time-window expires in order to carry on any remaining benefits to the refreshed 30 day time window. Similarly, if you initiate a 30 day time window with a €20/€50 top-up, you would have to top-up for the same TUG Plan with another €20/€50 again before the window expires in order to carry on any remaining benefits to the following 30 day time window.
