### TEATRU MANOEL - CHRISTMAS SPIRAL

- Cut out the circle and the stars from this leaflet with the help of an adult.
- Starting at the edge, cut the spiral going to the centre of the circle.
- Make a tiny hole in the big star. The ornament will hang from this hole, so you might wish to use plastic ring shaped reinforcements.
- Glue the small stars along the spiral and place big star in the centre.

MAKE SURE YOU ASK AN ADULT TO HELP YOU WHEN HANDLING A PAIR OF SCISSORS.

This certificate will entitle its holder to a LM1 discount for the production of the Magic Flute in April 2007. This ticket is valid only for one child, and cannot be used in conjunction with any other offers. Not valid for school performances.
