

Pay Monthly Price Plans Terms & Conditions

No subscriber of Vodafone Malta Limited will be charged for calls received when in Malta.

The caller, from a Vodafone GSM mobile, is charged on a per second basis with a minimum charge of € 0.023 / Lm0.01c on all calls except for multilines and rates are applicable according to your rate plan. This also applies if the called number is diverted or a device answers on the called party's behalf (other than for system status information.)

Retrieving messages from the mailbox are free using the 909 facility. Should one wish to access the Mailbox using the normal process (by calling 356 99xx xxxx from any line) you are charged as per the above specified rates.

Excise Duty - the 3% charge will be applied on all network services from January 1st 2005 and on monthly access charges due from February 1st 2005.

Calls made from mobile numbers benefiting from the Max Value Talk offer shall not apply to the incoming reward scheme.
